

sons of this academic year Adarsh and Roshini Benazir.

Trust partners with UK univ: UK-based Staffordshire University has entered into a partnership with the Rathinavel Subramaniam (RVS) Educational Trust in Coimbatore on December 2. As per this agreement, RVS Educational Trust students can apply for a 12-month's MSc course in cloud computing, wherein they will complete one semester at RVS and then progress to Staffordshire University. The students will graduate with a Staffordshire University degree. Nico Decourt, a senior lecturer in information systems studies at the school of computing of Staffordshire University, was recently in

Coimbatore where he met Senthil Ganesh, managing trustee of the RVS Educational Trust, for the signing of a memorandum of articulation (MoA). To celebrate the partnership, Decourt delivered a couple of lectures on big data and cloud computing during his visit.

Conference for nursing students: A state-level conference on emotional wellbeing- strategies for nurses was held on December 2 in College of Nursing, Sri Ramakrishna Institute of Paramedical Sciences. More than 300 nurses and students from various hospitals and institutions in and around Coimbatore attended
