ANNUAL QUALITY ASSURANCE REPORT - 2007-2008

Part A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

Action Plan (2007-2008)

The entire outline for the academic journey for the year 2007-2008 was chalked out by the IQAC based on goals and objectives of the institution and keen attention is given to follow up the recommendations given by NAAC Peer team members during their visit for re-accreditation to the institute. Thrusts were given to both infrastructure and academic developments of the Undergraduate and Postgraduate departments as well as the Research departments.

The thrust area for development include,

- **Innovations in Curriculum**
- **Research activities of the department through research programs, consultancy and publications**
- **Students Support and Faculty development**
- **Expertise the departments for the development of the society and thereby the nation**

Outcome of Plan:

Innovations in Curriculum

-Soft Skill Development Programs

-Communicative English courses

-Introduction of Online Tests

-Introduction of new courses -both UG & PG

Research activities of the department through research programs, consultancy and publications

- Grants received from the government –Minor project-Reg:
- Consultancy services to Industries and research institutes
- Publications in National / International Journals
- Organizing Seminars/Workshops/Conferences
- Establishment of Centralized Instrumentation lab.

Students Support and Faculty development

- Library upgradation with virtual and digital library
- Fee concession for meritorious candidates.
- Financial support for economically weak students
- Successful Introduction of Faculty appraisal system
- Financial support for faculties for research activities

Expertise the departments for the development of the society and thereby the nation

- Extension Activities
- Community services along with programs with SHG (Self Help Groups)
- Programs for Empowerment of Rural Women
- English Coaching (Short term) for inmates in Orphanages.
- NSS Awareness programs on AIDS/Drugs/Tobacco etc.
- Blood camp/Nutritional camp for rural people.

PART B:

1. Activities reflecting the goals and objectives of the institution:

The objectives of the institute are:

In the changing and challenging world we RVSCAS realize that Quality is not a destination but a never ending journey, so we would like to present the activities which are continuous and assailable.

- To enrich the knowledge of the students through innovations curriculum, practices and transaction.
- To develop the students into proactive professionals through building their leadership skills
- To enhance the research activities of the department through research programs, consultancy and publications.
- Real Time Networking Exposure is Given to Staff and Students
- To extend the expertise of the department for the development of the society and thereby the nation.

2. New academic programmes initiated (UG and PG):

Under graduate- B Sc Information Technology (IT)

Post Graduate- MSW-Master of Social work.

3. Innovations in curricular design and transaction:

Innovations in curriculum were discussed in Board of Studies and the recommendations were approved by the academic council before implementation.

-Skill Development have been added to the curricular design viz communication ,Presentation Skills, Behavioral skills, Placement Skills

-Environmental Studies made mandatory for all UG disciplines

-Introduction of Carrier oriented programs (COP)

-Introduction of advanced papers like Nanotechnology

-Online submission of Assignments and evaluation

- A fresh approach in the pedagogy has been adopted in MBA department to impart the curriculum effectively. The approach SAIL Student's Activity based Interactive Learning incorporates 4 major pedagogical tools namely Lectures, Field work/Activity, Self learning and Executive talk. The course plan is given to the students at the beginning of the semester for effective teaching -learning process. The students are also assigned mini projects in specific courses to enhance their practical knowledge and to interact with industry.
- Teaching aids like LCD /OHP/Slide projectors introduced in all disciplines.

4. Inter-disciplinary programmes started:

- Certificate/Diploma/Advanced Diploma offered by Individual departments. Viz.
 - o Department of Business Administration- Event Management
 - o Department of Biotechnology-Bio informatics
 - o Department of Computer Science - Multimedia

5. Examination reforms implemented:

- Periodical assessment of students by conducting centralized internal assessment tests and model exams
- Conducted online tests
- Comprehensive Viva voce was introduced to assess the overall learning of the PG students at the end of each academic year. The assessment is conducted in the form of viva voce by external examiners (industry experts for MBA) to evaluate the conceptual knowledge, skill of application and presentation.

6. Candidates qualified: NET/SLET/GATE etc.

-Nil-

61. Dec 2007- National Conference on Facts And Myths Of Obesity- paper presentation by Mrs.Mahalakshmi Sangeetha, organized by PSG College Of Arts and Science, Coimbatore
62. 17TH & 18TH OCT 2007- Emerging Scenario in Microbial Biotechnology(State Level)- paper presentation by Mrs.Mahalakshmi Sangeetha, organized by KSG College , Coimbatore - Probiotics- Won IIIInd prize.
63. Dec 2007- National Conference on Facts And Myths Of Obesity- paper presentation by Mrs.S.Suganthi, organized by PSG College Of Arts and Science, Coimbatore
62. 17TH & 18TH OCT 2007- Emerging Scenario in Microbial Biotechnology (State Level)- paper presentation by Mrs. S.Suganthi, organized by KSG College , Coimbatore - Probiotics- Won IIIrd prize
- 63.V.Parivuguna, Dept of Microbiology presented a paper in an International Conference on Recent Advance in Biosciences on 8th 2008 at Dhanalakshmi Srinivasan College,Perambalur, TN
64. V.Parivuguna, Dept of Microbiology presented a poster in an International Conference in Pharmacological screening and evaluation of Antiplasmodial activity in Nanyang technology University ,Singapore Jan 31st –Feb 1st 2008

65. V.Parivuguna, Dept of Microbiology presented a paper on National conference on Food and Agricultural MicroBiology on 9th January at Karapagam CAS,Coimbatore,T.N.

8. Total number of seminars / workshops conducted

- Seminars conducted – 16

- International - 01

- National - 06

-Regional - 09

-Workshops - 04

9. Research projects

a) Newly implemented: Nil

b) Completed: Nil

10. Patents generated: Nil

11. Newly collaborated research programmes –Nil

12. Research grants received from various agencies:

Grant received from Tamilnadu State Council for Science & Technology on “student projects Scheme” received for the year 2007-2008 for dissertation work done by the PG student on assessment of nutritional status & Nutrition education & income generation of Tsunami affected fishermen

13. Details of research scholars (2007-08)

MPhil(completed)- 12

PhD(completed) -04

14. Citation Index of the faculty members :

-Nil-

15. Honours / awards of the faculty

1. Mrs. Meera Raman won the first prize in presentation in National Level Seminar in food processing.
2. Mrs.Thangarathi won the first prize International Conference on 4th Jan 2008
3. Mrs Mahalakshmi and Mrs. Suganthi won the second prize in poster presentation in state level seminar.
4. Sivakumaran. D, and Saravanakumar. M won the best paper award for the paper “Financial Inclusion Strategies for India”, National Conference on Emerging Paradigms in Management, The American College, Madurai, 15th March.

16. Internal resources generated:

- To conduct contact programmes for Distance Education of Bharathidasan University.
