4.1.1. (c)	Total number of computers in the campus for academic purpose	RVS CAS DOC

**RATHNAVEL SUBRAMANIAM COLLEGE OF ARTS & SCIENCE (AUTONOMOUS)
SULUR, COIMBATORE-641402**

Autonomous & Affiliated to Bharathiar University
Reaccredited with 'A' Grade by NAAC (3rd cycle)

Recognized by DST-FIST, New Delhi, Supported under DBT STAR COLLEGE SCHEME

4.1.1. The Institution has adequate infrastructure and physical facilities for teaching – learning, viz., classrooms, laboratories, computing equipment, etc.

Infrastructure and physical facilities

The institution is situated in the outskirts of the town, the infrastructure facilities in our campus help to create a **better ambience for calm and composite learning**, provides enormous opportunities for the Learners to explore urban as well as a rural lives as a recreational or adventurous activity. The Institution enveloped by the ambience of evergreen vegetation and **temples** offers a congenial climate for a fruitful study of chosen academic pursuits. Learning atmosphere is created in accordance with the **digital platform** which provides students confidence in learning the latest technology development. Every year the campus is upgraded as required for creating a vibrant academic environment. The Institution constantly updates its infrastructure to create a better teaching-learning atmosphere for students and teachers. The infrastructure of the College is widespread on 14.5 acres with a buildup area of 21400 Sq meters for better academic ambience.

Classrooms: The campus has **9 academic blocks with 103 classrooms** designed as per the safety guidelines and specified guidelines by the statutory authorities. The classrooms are spacious with ample ventilation, lighting and which could create a better atmosphere of learning. Most of the classrooms are enabled with ICT facilities and upgraded as smart classrooms with interactive boards for students to have better virtual learning.

Laboratories: The institution creates a focal point for theory and practical by providing equal weightage, to support the Outcome Based Curriculum (OBC) ambience with advanced laboratories in multiple discipline including Computer Science, Electronics, Biochemistry, Microbiology, Biotechnology, Foods and Nutrition, and Mathematics. Among 10 research departments 6 were recognized by **DST FIST** and supported by **DBT Star College Scheme**.

The institution has 28 well-equipped laboratories stocked with necessary recourses to carry out experiments and research along with safety devices to support all programmes. Institution added up its teaching and learning value by edifying **Central Instrumentation Laboratory** for enhance and support research and development.

Computing Equipment: Ten fully air-conditioned computer laboratories located in different blocks housing **637 computers** meet the computing requirements of core, allied and elective

**RATHNAVEL SUBRAMANIAM COLLEGE OF ARTS & SCIENCE (AUTONOMOUS)

courses of various departments, among that 516 Computers purely meant for Student use. Every year College is upgraded with a few new systems to promote academic and non-academic activities and these machines are useful to promote computer literacy among students of non-computer science disciplines.

Seminar Hall

There is a compact air conditioned seminar hall known as **Dr. Newman Memorial Hall** with a capacity to hold an assembly of about hundred members where Quiz programs, departmental in house sessions and club meetings are held.

Auditorium

There is a spacious, adequately, large, exquisitely designed Auditorium known as **Kalam Hall** fondly named Dr. A.P.J Abdul Kalam, former President of India. This auditorium can comfortably accommodate more than 1000 students. It serves for conducting programmes such as Graduating Day Ceremony, Student Union Functions, Orientation Course tutorials, Special Address by VIPs, College Annual day function, Literature oriented meetings, Cultural programmes etc., The dais is equipped with sophisticated audio facilities. The auditorium is also made use of by the authorities of District administration for purposes such as coaching trainees on special occasions to transact Government assignment.

DBT Knowledge Park:

The Knowledge Park has been developed in our Institution with the support of the DBT STAR College Scheme and comprises various Science experiments, Mathematical solutions, which stimulate the research and innovation among learners through experiential learning. Through the facilities available in the Knowledge Park, knowledge can be shared, Innovation can be promoted, and technology can be transferred among the learners' community.
