1.1 The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The Nature of Governance and Perspective Plans

Rathnavel Subramaniam College of Arts and Science is one of the biggest Self-financing institutions affiliated to Bharathiar University run by RVS Educational Trust a non-profitable organization, indulged in philanthropic activities. Ever since the inception of the institution in 1983, have been untiringly working to contribute in the fields of Education, Agriculture, Rural development and Health care. The trust has set up facilities at various places in Tamil Nadu to educate, cultivate and elevate. Around 40000 students pursue education in the institutions run by the RVS Educational Trust ranging from kinder garden to Post graduate levels, encompassing Arts, Science, Management, Para-medicine and Alternative medicine. These institutions are manned by around 5000 staff members. The hallmark of the Trust is ensuring quality education and training at a cost affordable to the poorer sections of the society. With efficient management and effective distribution of resources, these things have been activated.

The members of the Trust are the Chairman, members from the Board of Trustees and Governing body members comprises Member nominated by the UGC, Member nominated by the State government, Member nominated by Bharathiar University, Educationist, members nominated by the management, Academic experts, Industrialist, Teacher representatives, Student representatives, members of statutory and non-statutory bodies. The governing body of the trust which are responsible for plan, design and implementation of policies related to efficient administration and effective quality education in the institution.

The current educational scenario demands the chiselling of graduates not only equipped with blatant knowledge, but also with the capability of facing the challenges emerging out of the changing modern trends. Realizing the ideas of the needs of the industrial world, entrepreneurial domain and the arena of public sector, RVS group of Educational Institutions have designed and updated, multifaceted quality driven curricula to trigger the vibes of creativity and innovative aptitude. Moreover, the programmes have been slated to ensure traits of man-making and nation-building. The standard and structural outcome-based curriculum plan for the educational programmes offered in the institution has been prepared by keeping the vision of the institution "Quality Education for Digital era" and mission of the institution "To impart a need-based quality education through the comprehensive curriculum by adopting apt technologies and progressive teaching, learning and research processes". The programmes are taught by a highly competent and well-experienced, talented band of teaching faculty endowed with academic acumen.

Perspective plans of the institution:

- Futuristic learning and life-long learning are the two basic mantras which are chanted and reflected throughout the system.
- By 2025, all the programs offered by the institution will have courses which lead to employability in the digital era.
- By 2030, this institution will be distinct in providing quality education for Digital era.
- This institution will become a hub for learning Artificial Intelligence by students, employees from different sectors, managers and decision/policy makers.
