ACTIVITIES IMPLEMENTED AS PER ACTION PLAN 2009-2010

A well carved out plan for the academic march pertaining to the academic year 2009-2010 was designed by the IQAC based on the goals and objectives of the institution and apt attention was given to the implementation process throughout the year. Both infrastructure and academic developments of the Under Graduate and Post Graduate departments as well as Research departments gained meticulous thrusts. The action plan formulated for 2009-2010 focused and implemented action on the following aspects.

1. Restructuring of the Curriculum.
2. Innovations in teaching learning processes.
3. Promotion of Research, Consultancy and Extension activities.
4. Widening students support activities.
5. Improving Organization Abilities and Leadership / Governance qualities.
6. Infrastructure development:
 - a) Addition of floors to the newly built MCA Block
 - b) Additional lab to school of computer studies.
 - c) Installation of Bakery Unit to Catering Science Department
 - d) Renovation of Basic Training kitchen (BTK), House keeping and Front office in Catering Science Department.
7. MOUs with foreign Universities and Industries.
8. Promoting Total Quality Management
9. Improving English Communication Skills.
10. Library upgradation and
11. Inauguration of Tennis Academy

Outcome of the Plan

1. Restructuring of the Curriculum: was undertaken in the programmes of Microbiology (UG/PG), Biotechnology (PG), Biochemistry (UG/PG), Electronics (UG), Computer Science (PG), MCA, and MSW, during the academic 2009-2010.

Innovative aspects and experiments introduced by the College since obtaining Autonomy (2004) have been outlined below in detail:

1. Under Part I Languages a UG student has an option to choose any one of the following: Tamil, Malayalam, Hindi and French.
2. Extra Disciplinary Course (EDC) is offered in both UG/PG programmes. A student can opt for, any one paper with the exception of the one offered by his parent department.
3. A Diploma Programme comprising of four papers has been designed and made compulsory for all UG programmes.
4. Foundation Course 'A' concerns Value Education – General Awareness

5. Foundation Course 'B' concerns Environmental Studies.
6. In compliance with norms of TANSCHÉ Non Major third language has been introduced as detailed below:
 - a) Basic Tamil (BT): Those who had not studied Tamil up to XII standard and had taken a Non-Tamil Language under Part - I shall take Basic Tamil, comprising of two courses (6th standard level). The examination shall be on CIA basis only (2 courses – 4 credits).
 - b) Advanced Tamil (AT): Those who had studied Tamil up to XII standard and had taken a Non Tamil language under Part - I shall take Advanced Tamil comprising of two courses (2 courses – 4 credits), which will have only CIA test and no End semester examination.
 - c) Non Major Elective (NME): Those who do not come under A or B mentioned above can choose Non Major Elective comprising of two courses (4 credits)
 1. Women's Rights
 2. Yoga.
7. Advanced Learners Courses in Thrust Area (ALCTA): Each department offers a course in thrust area, which will be of a self study nature. The student can do this during the V semester and take up the examination at the end of V semester and clear it in a single attempt. The course will carry grades with 4 extra credits. This course is a boon to fast learners for earning extra credits.
8. In UG Programmes, under part III besides core and allied subjects, including practicals three projects or three electives or one project and two electives or two projects and one elective is offered. Preference of elective is subjected to options from a pair of electives. Selection of the elective is to be decided by the department, based on the opinion of the majority students.
9. **On line tests:** For Foundation Course A (General Awareness) **On line test** has been made mandatory for all UG students.
10. **Question Bank** is available.
11. **Quiz Club** has been organized which serves for equipping the students with skills of competence.

12. Teaching aids/ Pedagogy: The following methodologies are practiced to facilitate active learning.

LCD/OHP/Slide Projectors/Charts/ Posters, Virtual Labs, Group Discussions, Tests, Case Study, Debate, Student Seminars/ Paper Presentations and Guest Lectures by experienced and qualified academics.

13. Choice Based Credit System was introduced in 2005 and subsequently reviewed in 2008.

14. Orientation Course has been initiated for newly admitted students (freshers) for a period of ten days through which students are motivated and inspired by erudite scholars and academic celebrities.

15. Career Oriented Programmes recognized by the UGC are offered to the UG students. Under this programme the students can simultaneously do a Certificate course, a Diploma course, and an Advanced Diploma along with their Degree course. Students can opt for the COP programme from among the list of COP courses. Certificate, Diploma and Advanced Diploma are taught outside regular class hours.

16. Evaluation of Staff by the Students: An Annual Performance Review (APR) of the faculties is undertaken regularly in which evaluation of the faculties by students is a part of the process. Each student is given a chance to assess the performance of the faculties who had handled classes for him, in a confidential manner through computers. The Annual Performance Review facilitates certification of 10 best faculties and they are honoured with attractive cash prizes, mementos and citations in a ceremony presided over by an academic dignitary.

17. Feed back: Feedback from students on usefulness of the curriculum, infrastructure, and administration and support services is taken to identify the positive service features and deficiencies and to take appropriate corrective and preventive measures. Feedback is also taken from alumni of the College.

- 18. Staff Evaluation:** There is mutual evaluation of faculties by the HOD and Vice Versa, in addition to evaluation of colleagues among themselves (Peer Evaluation). An additional evaluation of the HODs is done by the Principal.
- 19. Alumni meet** is arranged annually. This helps to ascertain the professional levels of the old students. Many unemployed alumni get to know placement chances through their departments and placement cell. The departments get a feedback on all aspects relating to the students welfare. Outstanding alumnus is nominated to the respective board of studies of the College.
- 20. Parent's meet** is held once in an academic year to promote understanding between the parents and the departments. Parents get more information regarding their wards and the various facilities and care bestowed upon the students.
- 21. IQAC Cell** has been set up. It regulates all the multifaceted activities of the Institution and moulds the college into a quality centered seat of learning.
- 22. ISO:** The College has its Vision, Mission and Quality Objectives. Based on this a set of quality procedures and quality manuals are prepared and distributed to all the departments. A team of internal quality auditors are trained and with their help internal audits are conducted for all the academic departments. The auditing is finally scrutinized and endorsed by a team of external auditors from ISO organization. Our College is presently an ISO 9001: 2008 certified Institution.
- 23. Technology Up gradation:**
- i) Wi-Fi campus wireless network covering the whole campus (RVS Hospital)
 - ii) A new broad band internet **browsing centre** of free access is available for Students and Staff inside the campus (Infotech).
 - iii) Under the student **information system**, admissions, fees collection, lesson plan and work done components have been **automated**
 - iv) The inter campus **networking** has been strengthened employing **sophisticated optical** fibers
 - v) Internet **band width has been increased** from 2 MbPs to 4 MbPs.

- 25. God Father Counseling System** serves as a unique tool for taking care of students, listening to their problems they come across in studies at home or in hostel thereby encouraging them to sail across those problems. This system renders guidance to students when needed. The academic performance of the students, their regularity to classes, their achievements in College, through extracurricular activities etc., are constantly monitored by Staff members to whom the definite numbers of students are entrusted. Special psychic counseling is provided to the needy students by a psychiatrist visiting the College twice a week.
- 26.** Computer Science department offers an **INTERNAL CERTIFICATION PROGRAMME** for students in addition to the prescribed curriculum. Availing this facility, students could earn extra credits.
- 27.** School of Management Studies provides a **SOFT SKILL LAB** for their students every day from 2.15 p.m. to 4.15 p.m.
- 28.** Biotechnology department offers a paper exclusively for **NANOTECHNOLOGY** along with the practicals from 2005 onwards pioneering the introduction of the subject in Bharathiar University.
- 29.** A magazine titled “**LA HOSPITALITE**” is released once in every two months by the Dept. of Catering Science and Hospitality. “**BIOSPECTRUM**”, an annual magazine is released by the Department of Biotechnology. A Journal titled **RVS JOURNAL OF MANAGEMENT** and a bi-annual newsletter “**DHWANI - OUR VOICE**” are published by MBA Department. Tamil department has recently come out with a bi-annual **SEITHI MADAL** termed “**MURASU**”. A Quarterly Bulletin named **RADIANCE** is published by IQAC.
- 30.** The Department of Catering Science & Hotel Management, releases **articles and recipes** in www.articlebase.com This is a **website** dedicated to the Hospitality Industry, where all the professionals are publishing their articles and recipes with regard to the Hotel Industry.

31. e- Magazine concept is encouraged and the students are made to contribute for e-Magazine. Students get grouped into 5 /10 as per the class strength (if the strength is less than 30, 5 in a group and if it is 30 and above 10 in a group) and topics are received first and within 10 days articles are collected from the students through the department staff in charge and uploaded in the College Website with the help of RVS Info Tech.

2. INNOVATIONS IN TEACHING LEARNING PROCESSES:

Various departments have introduced new teaching methods apart from the traditional chalk and talk method. The spectrum of new teaching – learning methods included technology mediated pedagogy processes like Group Discussions, Debates, Power point presentation, LCD, Quiz, Seminars, Symposia, Guest Lectures, Virtual labs, Webinars and etc. Each faculty member is admonished to adopt atleast two novel teaching methods in their lectures. The method adopted for a particular topic is recorded in the Register maintained in the department for the purpose. Industrial visits and industrial training have been made compulsory in the syllabi of many departments.

3. PROMOTION OF RESEARCH, CONSULTANCY AND EXTENSION ACTIVITIES:

RESEARCH

During the current academic year (2009-2010) Biotechnology and Tamil departments have received grants from UGC for Major Research Projects (MRP). This is in addition to Six UGC Major Research projects already in vogue since 2008-2009 in the departments of Microbiology, Management Department, Commerce, Computer Science, and Tamil. Microbiology and Foods and Nutrition departments have secured Financial Assistance for Two small projects intended for students projects from TamilNadu State Council for Science and Technology (TNSCST), Chennai. A Financial Assistance of Rs. 10,000/- has been granted to Ms. P. Sumitha, PG Microbiology student for her project under the supervision of Prof. R. Dhanabalan, HOD Microbiology. A sum of Rs. 6,000/- has been granted to Ms. Elizabeth Megi, PG student of Foods & Nutrition to perform her project under the guidance Mrs. Meera Raman , HOD, Foods & Nutrition Department. A good number of departments included mandatory mini research projects in their syllabi.

CONSULTANCY:

Successful consultancy services have been offered by MBA, Commerce, Catering Science, Biotechnology, Biochemistry, Microbiology and Foods & Nutrition departments. Contract research consultancy programmes have also been initiated by life science departments.

EXTENSION ACTIVITIES:

Interestingly the various departments have vied with one another in showing their involvement and interest in social activities. The array of activities included communication skills to elementary school boys, visiting orphanages / Old age homes, Teaching vocabulary, and grammar to school boys, coaching classes to plus 2 students adopting a few school students by meeting their educational needs, cookery competition to public, computer training programme for school students, teaching technologies of vermicompost formation / biogas production to rural people and food safety & hygiene awareness programmes to village folk.

4. WIDENING STUDENTS SUPPORT ACTIVITIES:

Multipronged smart stakeholder centered activities have been planned and implemented, through the following means and measures.

1. Industrial Training
2. Industrial Visits.
3. Earn While you learn programme (EWYLP)
4. Godfather Counselling scheme.
5. Formation of Anti-ragging and Grievance Cell.
6. Special coaching for slow learners.
7. Financial support and concessions
8. Guest Lectures / Seminar/ Symposia / Conference / Workshop.
9. Placement assistance.

The main objective of the MOU is to uplift research and training in the fields of Bioinformatics, Biotechnology and Medical Informatics. Department of Biochemistry took active steps in effecting this MOU.

8. PROMOTING TOTAL QUALITY MANAGEMENT:

A full time advisor coordinates all the activities of IQAC to enhance and promote "Total Quality Management" in the institution. Emphasis is given to actively give thrust to all the parameters pertaining to the seven cardinal criteria stipulated by NAAC.

IQAC draws a time bound annual strategic academic plan for every academic year to be sincerely followed and implemented by all the departments.

The IQAC is authorized to monitor the implementation process on a monthly basis and collect relevant documents at the end of the semesters as a centre for collection of information and maintenance of the documents in an orderly process. Workshops are also organized by IQAC for the faculty to educate them on the emphasis, upkeep and promotion of quality parameters. The annual data collected by IQAC favours it, to prepare the **Annual Quality Assurance Report** for submission to NAAC.

9. IMPROVING ENGLISH COMMUNICATION SKILLS:

Communication Development Programmes:

The Department of English and Communication plays a vital role in developing communication skills of the students by adopting innovative and modern techniques like visualization, story making, brain teasers and jokes. The department focuses on the language skills viz, listening, speaking, reading and writing and provides opportunity for students to use

the language in their day to day life. The department's aim is to encourage the PG students to think in English which in turn will increase their confidence to use the language effectively. This will be extended for the UG students in the forthcoming academic year.

In addition, Training and Placement Division conducts awareness campaigns on the importance of Spoken English and interview preparedness throughout the year by conducting a multitude of activities like English Grammar Clinics, English Rally, Dictionary Countdown, Guess the Word – Daily, Daily Vocabulary, English Week – a week long English festival, Best CV competition and Best Interview Attire competition. An English language lab functions in the campus supplementing the efforts to give the students a complete atmosphere to enrich their skill set for a prosperous future.

Special psychic counseling is provided to the needy students by a psychiatrist visiting the college twice a week.

2. New academic programmes initiated during 2009-2010 (UG and PG)

Under graduation stream : **1. B.Com IT**

2. BBM (CA)

3. B.Sc Mathematics with CA

Post graduation stream : Nil

3. Innovations in Curriculum design and transaction :

i) Vide Page No: 1

ii) Changes made during 2009-2010.

1. Modification of syllabi related to UG & PG departments of Microbiology and Biochemistry, MCA, PG Electronics and Biotechnology, M.Sc Computer Science, MSW and BBM.
2. Allocation of marks for subject under part IV namely FC-A (Environmental Studies), FC- B (Value Education) and NML (Basic Tamil / Advanced Tamil) and Non major elective (NML) for 2008 batch students onwards from 100 marks per paper (CIA 25 + EOS 75) to 75 marks per paper, with deletion of CIA component. i.e 25 marks except for Basic Tamil which will have only CIA test for 75 marks (No End semester exam).
3. Total marks for UG courses changed from 3900 to 3800 with retention of 140 credits from 2008-2009 onwards.
4. No CIA for Environmental Studies under FC- A and Value Education under FC-B for UG students from 2008-2009 onwards.
5. Break up of marks for CIA and EOS examination in theory papers for both UG & PG made as 25 internal: 75 external and 40 internal : 60 External for practicals from 2008-2009 onwards .
6. The 25 mark slot of CIA theory component will have the following split ups i.e CIA test -20 marks, Assignment / Seminar(2 nos) – 5 marks except for MBA for which it will be 15 marks and 10 marks for CIA and Assignment / Seminars respectively. The 40 marks slot of CIA practical component will have the following split ups i.e CIA practical test -30 marks. Observation note book & Regularity -10 marks.
7. Question paper pattern with 10 MCQ in section A for both UG /PG courses from 2009-2010 onwards.
8. Two CIA tests for 50 marks each and one model examination for 75 marks to be conducted. The better among the two CIA test marks and model examination marks to be taken for final calculation of CIA marks for all courses except MBA course, for which all the three test marks will be taken into consideration for calculation of CIA marks.
9. Approval given for two courses in Basic Tamil for Non tamil students and two courses in Advanced Tamil for Tamil students who had chosen Non tamil language under part I in their III & IV semesters for students of UG courses from 2008-2009 onwards.
10. Approval given for two courses in Non Major Electives for Tamil students who have chosen Tamil language under part I from 2008-2009 academic year onwards.
11. Adoption of a paper ‘Women’s Rights’ for Non major Elective (NME) in the 3rd semester and ‘Yoga’ as a paper for Non major elective in IV semester to students admitted during 2008-2009 onwards.

5. Examination reforms implemented:

Significant Features in Examination Reforms:

- ❖ Structural and Procedural changes
- ❖ Transparency is observed throughout the procedures
- ❖ Scope for improvement of the previous semester's theory papers
- ❖ Double evaluation for PG and also provision for a third evaluation if necessary
- ❖ Supplementary Examination for final year students
- ❖ Introduction of Grading System

The college has a Controller of Examinations (COE) who gives full attention to the Examinations. The COE section is comfortably, safely and securely accommodated in an exclusive wing, with sufficient number of staff members to look after the day to day work. The COE section is fully automated with computerization and printing facilities.

Choice Based Credit System was introduced in 2005 and further reviewed and structurally revamped in 2008 in the light of directions from Tamilnadu State Council for Higher Education (TANSCHÉ) and Govt. of Tamilnadu (140 credits for UG courses and 90 for PG courses inclusive of MBA, 140 for MCA and 230 for M.Sc (SS) five year integrated course. In addition to that there is scope for fetching extra credits for UG programs). An Approved syllabus will be

followed for five academic years, afterwards a student having arrear papers should appear for the examination as per the new scheme and syllabus in vogue at that particular time.

The CBCS system has been designed to extend enough flexibility by way of providing options. Evaluation includes two Continuous Internal Assessment tests (CIA) along with assignments, seminars, Mini Projects, attendance, components, one model examination and End of Semester Examinations per semester. The better mark among the two CIA Tests and the model examination marks are taken for final calculation of CIA marks for all courses except MBA course for which all the test marks will be taken for the calculation of CIA marks

The CIA and model examinations are conducted by the internal examination committee under the supervision of COE's section. The responsibility of the consolidation of CIA marks as per the pattern given in the syllabus lies with the department.

CIA/ Model Examinations:

OPERATION MECHANISM

- (i) Question paper collection.
- (ii) Seating arrangements for students
- (iii) Assigning Invigilation duties
- (iv) Receiving answer scripts from the invigilators after completion of the tests, entering them in a register and returning the answer scripts for valuation to the concerned faculties in a day's time.
- (v) To receive the valued answer scripts from the departments within a period of five days from the day of the last exam.
- (vi) The received answer scripts are given to the students for scrutiny and verification and the student's signature is obtained on the script. Then the test marks are entered in the CIA mark register, endorsed by the student's signature and followed by the counter signatures of the concerned lecturer, HOD and the Principal. This process is to be completed by the 10th day, after the conduct of the last test.

MALPRACTICES IN CIA TESTS:

The answer scripts of the students involved in malpractices are rejected from valuation.

REMEDIAL MEASURES:

To provide remedy to the weak students, who have failed in the CIA tests, focus is given by the staff to improve their performance. The CIA tests help to identify the poor learners. A close monitoring of the performance of weak students is carried out and the list of non-performing students is prepared. The list will contain the names of students who fail in the examinations.

RETESTS:

Retests are conducted once, after each CIA tests for students failed in the tests and for those students who were absent on genuine grounds. Results are announced within 15 days after the conduct of last CIA test. The retest answer scripts are valued and the marks are entered in the register with the signature of the students, subsequently counter signed by the concerned staff, HOD and Principal by the 3rd day of the conduct of the last retest.

EOS Examinations:

The College conducts EOS examinations as per the norms given by the University.

Theory:

Time table for the examinations is scheduled by COE. The question paper setters are selected from a panel of setters by the COE and the Principal. The respective syllabus and question pattern are sent to the question paper setter. The question papers for EOS examinations are set by the external setters as per instructions. The process starts three months before the commencement of the examinations. The Question papers are typed by the data entry operators in the COE of office. Multiple copies of the final print are taken three days before the examination. The question papers are packed sealed and passed on to Principal/ Chief Superintendent's office. The sealed covers are opened only on the day of examination and question papers are distributed. The duration for each paper is three hours. The answer scripts are packed in a sealed envelope and sent by the Principal's office to the COE's section. Dummy numbers are put on the paper after shuffling the papers. External markers are invited to value the UG papers as per the answer key. In case of PG, valuation is done by the faculty who has taught the paper and the second valuation is carried out by external examiner. If the difference of marks between the two valuations is more than a certain percentage, a third valuation is carried out by another external examiner. The average of the two most closely related marks is taken as the final mark.

The marks are tabulated and the Results Passing Board (RPB) meeting is convened. RPB comprises of HODs, COE, Principal and the University Representative (UR) from the Bharathiar University. Moderation mark is decided by RPB members. The UR has the final say in the RPB in all decisions regarding the passing of the students.

The results are declared immediately after the RPB meeting and the same will be uploaded in the institution's official website. The failed candidates in UG courses can apply for revaluation or Re-totalling. There is no revaluation for PG candidates. They can only apply for Re-totalling. There is total secrecy in the functioning of the COE's section, because the success of autonomy depends on the effective functioning of the examination section.

Practical

Practical examinations:

Viva-voce and project evaluation are also conducted by the COE's section. The question papers are set by the examiners. The examinations are conducted jointly by internal and external examiners. The marks scored by the students are sent to the COE's office. The performance of the students in Industrial Training, NSS/ Sports and Games are sent to the COE section for the award of the degree. After the receipt of EOS examination results, they are entered in the EOS marks register maintained in the concerned departments.

EOS Result Analysis:

- The results of the EOS examination of each subject is analyzed after the publishing of the results. The departments provide the data relating to the subjects and passing of students. The result analysis of the individual staff member is compared with the previous record. This criterion is taken into consideration for the Faculty Performance Appraisal.
- There is provision for **improvement** of previous semester papers only.
- **Supplementary examinations** are permitted for one paper from any semester which is applicable only for final year students (final semester).

Revaluations:

Revaluations are done only for UG Regular papers.

- Mrs. Grace Padma, HOD, Department of MCA, participated in the “Master Keys to Self Development” conducted by Mr. T. Daniel, 24 X 7 Learning, Bangalore held at RVS College of Arts and Science, Sular, Coimbatore on 21-11-2009.
- Mrs. S. Ranjitha Kumari, Lecturer, in MCA participated in the One day workshop on “ Open source tools and data mining research” organized by the Department of Computer science, Dr. N.G.P. Arts and Science College, Coimbatore on 8th Aug 2009.
- Mr. V. Karhiresan, Lecturer, in MCA participated in One Day Workshop on Software Testing & QA organized by Department of Computer Science & Application, P.K.R. Arts College for Women, Gobichettipalayam on 15-08-2009.
- Ms. S. Jamuna Rani, Lecturer in MCA participated in Two day lecture workshop on Research paradigms in Communication and data engineering conducted by the School of Information Technology & Science, Dr. G.R. Damodaran College of Science, Coimbatore on 18th and 19th March 2010.
- Ms. S. Jamuna Rani, Lecturer in MCA participated in the 3-day National Symposium on Research methods and Research directions in Computer and Engineering conducted during June 25 – 27, 2009 by GR Govindarajula School of Applied Computer Technology, PSGR Krishnammal College for Women, Coimbatore.
- Ms. S. Jamuna Rani, Lecturer in MCA participated in the State level seminar on Convergence of Technologies in IT organized by Department of information technology, S. Vellaichamy Nadar College, Madurai on 7th October 2009.
- Ms. B. Roseline Jeetha, Lecturer in MCA in the One day workshop on “ Open source tools and data mining research” organized by the Department of Computer science, Dr. N.G.P. Arts and Science College, Coimbatore on 8th Aug 2009.
- Mr. G. Purusothaman, Lecturer in MCA participated in two days training program on “Essentials of C # ”conducted by Microsoft Corporation ICT Academy of Tamil Nadu during 22nd Feb 23 Feb 2010, for the Faculty members of Bharathiar University, Coimbatore.
- Mr. G. Purusothaman, Lecturer in MCA participated in One Day Workshop on Software Testing & QA organized by Department of Computer Science & Application, P.K.R. Arts College for Women, Gobichettipalayam on 15-08-2009.
- Ms. K. Chitra Devi, Lecturer in MCA participated in One Day Workshop on Software Testing & QA organized by Department of Computer Science & Application, P.K.R. Arts College for Women, Gobichettipalayam on 15-08-2009.
- Ms. Jeevajothi. I, Lecturer in MCA participated in One day National level workshop on “Software testing & Quality Assurance’ on 23rd January 2010, organized by KG College of Arts & Science and KG Information Systems Pvt. Ltd, Coimbatore.
- Mr. Pandiyan. G, Lecturer in MCA participated in One day National level workshop on “Software testing & Quality Assurance’ on 23rd January 2010, organized by KG College of Arts & Science and KG Information Systems Pvt. Ltd, Coimbatore.

- Mrs. C. Grace Padma, HOD, MCA participated in FDP on “ Data Warehousing and Business Intelligence” held on 28th Jan 2010 at Bharathiar University. Coimbatore.
- Mrs. S. Ranjith Kumari, Lecturer in MCA, attended the one day FDP entitled “C # .NET on 25th July 2009 organized by Sri Venkatesewara College of computer Application and Management, Ettimadai, Coimbatore.
- Mrs. S. Ranjitha Kumari, Lecturer, in MCA, participated in One day FDP on “Basic tips for counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore.
- Mr.V. Kathiresan, Lecturer in MCA, attended the one day FDP entitled “C # .NET on 25th July 2009 organized by Sri Venkatesewara College of computer Application and Management, Ettimadai, Coimbatore.
- Mr. V. Kathiresan, Lecturer, in MCA, participated in One day FDP on “ Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore
- Ms.S. Jamunarani, Lecturer, in MCA, attended the FDP on “Strees – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe.
- Ms. S. Jamunarani, Lecturer, in MCA, participated in One day FDP on “ Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore
- Ms. Roseline Jeetha, Lecturer, in MCA, participated in One day FDP on “ Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore
- Mr.G. Purusothaman, Lecturer, in MCA, attended the one day FDP “ Introduction to Research and Research Skills” conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mr. G. Purusothaman, Lecturer, in MCA, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009and 12.09.2009.
- Mr. Mr. G. Purusothaman, Lecturer, in MCA, participated in One day FDP on “Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore
- Mr. G. Pandian, Lecturer, in MCA, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009and 12.09.2009.
- Mr. Pandiyan. G, , Lecturer in MCA, attended the one day FDP entitled “ C # .NET on 25th July 2009 organized by Sri Venkatesewara College of computer Application and Management , Ettimadai, Coimbatore.
- Mr. G. Pandian, Lecturer, in MCA, participated in One day FDP on “Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore.
- Mr. G. Pandiyan, Lecturer in MCA, Participated in One day FDP “ In house Training Programme Food preservation using microbial techniques, organized by Microbiology Department, RVS College of Arts and Science, Sulur, Coimbatore on 16-02-2010.

- Ms. Chitra Devi, Lecturer, in MCA, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Ms. K. Chitra Devi, Lecturer in MCA, participated in One day FDP on “Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore.
- Ms. I. Jeeva Jothi, Lecturer, in MCA, participated in One day FDP on “Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore.

7. Electronics Department:

Presentations:

-03

- Mr. T. Siva Kumar, HOD Electronics, presented a paper in the National Level Symposium **e-spark** 2010 organized by Department of Electronics and Communication Systems, AJK College of Arts and Science, Coimbatore on 29th January 2010.
- Mr. K.N. Sree Kumar, Lecturer in Electronics, presented a paper in the National Level Symposium **e- spark** 2010 organized by Department of Electronics and Communication Systems, AJK College of Arts and Science, Coimbatore on 29th January 2010.
- Mr. K.N. Sree Kumar, Lecturer in Electronics, presented a paper entitled “ Adaptive contrast Enhancement Based Micro Calcification Detection” in the National Conference on “Soft Computing and Advanced Communication System” organized by Department of Electronics & Department of Computer science, M.P. Nachimuthu M. Jaganathan Engineering College, Chennimalai, Erode on 10th April, 2010.

Participation:

-03

- Mr. T. Siva Kumar, HOD Electronics, participated in “Thin Film Science and Technology” course conducted by Department of Physics, PSG College of Technology, Coimbatore, from 15th February to 27th February 2010.
- Mrs. P. Venkateswari, Lecturer Electronics, participated in “Thin Film Science and Technology” course conducted by Department of Physics, PSG College of Technology, Coimbatore, from 15th February to 27th February 2010.
- Ms. T.S. Kanchana, Lecturer Electronics, participated in the National Seminar on “Evolution to Innovations in Electronics” organized by Department of Electronics, CMS College of Science & Commerce, Coimbatore on 5th December 2009.

Participation in FDPs

-03

- Mrs. P. Venkateswari, Lecturer in Electronics, attended One day FDP on “Introduction to Research and Research Skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mrs. P. Venkateswari, Lecturer in Electronics, participated in One day FDP on “ Basic Tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore

- Mr. K.N. Sree Kumar, Lecturer in Electronics, attended the FDP on “Table Etiquettes” conducted by Department of Catering science & Hotel Management, RVS college of Arts and science, Sular, CBE on 17-02-2010.

8. Mathematics Department:

Participations - 6

- Mrs. Jenitha Premalatha, Lecturer, Mathematics participated in the National Seminar on “Graph Theory” organized by Nirmala, College for Women, Coimbatore on 24th July 2009.
- Mrs.M. Indhumathi, Lecturer, Mathematics participated in the National Seminar on “Graph Theory” organized by Nirmala, College for Women, Coimbatore on 24th July 2009.
- Mrs. D. Subbulakshim, Lecturer, Mathematics attended one day workshop on “ Fuzzification Techniques” organized by Sri G.V.G. Visalakshi College for Women, Udumalpet on 18th September 2009.
- Mrs. S. Helan, Lecturer, Mathematics attended one day workshop on “ Fuzzification Techniques” organized by Sri G.V.G. Visalakshi College for Women, Udumalpet on 18th September 2009.
- Ms. J. Sharmila, Lecturer, Mathematics participated in a State level seminar on “ Modern Trends in Mathematical Sciences” organized by Department of Mathematics, Dr. N. G.P. Arts and Science College, Coimbatore on 5th March 2010.
- Ms. J. Subashini, Lecturer, Mathematics participated in a State level seminar on “ Modern Trends in Mathematical Sciences” organized by Department of Mathematics, Dr. N. G.P. Arts and Science College, Coimbatore on 5th March 2010.

9. PG Department of Social Work (MSW):

Participations - 7

- Ms. P. Meenakshi, HOD I /C, Social Work department participated in a workshop on Role of Students in Water Conservation & Management, jointly organized by TN-IAMWARM Project and Dept. of Social Work, Bharathiar Universtiy, held on 23rd Sep 2009 at Bharathiar University, Coimbatore.
- Ms. P. Meenakshi, HOD I /C, Social Work department took part in organizing the National Conference on “ Role of Educational institutions in Out – Reach Programmes & Sustainable Community Development” held on 3rd March 2010 at RVS College of Arts and Science, Sular, Coimabtoe, Jointly with Department of Foods and Nutrition.
- Mr. Blesso J Yesudian, Lecturer, Social Work department (PG) participated in a workshop on Role of Students in Water Conservation & Management, jointly organized by TN- IAMWARM Project and Dept. of Social Work, Bharathiar Universtiy, held on 23rd Sep 2009 at Bharathiar University, Coimbatore.
- Mr. Blesso J Yesudian, Lecturer, Social Work department (PG) took part in organizing the National Conference on “ Role of Educational institutions in Out – Reach Programmes & Sustainable Community Development” held on 3rd March 2010 at RVS College of Arts and Science, Sular, Coimabtoe, Jointly with Department of Foods and Nutrition.

- Mr. J. Sathish Kumar, , Lecturer, Social Work department (PG) took part in organizing the National Conference on “ Role of Educational institutions in Out – Reach Programmes & Sustainable Community Development” held on 3rd March 2010 at RVS College of Arts and Science, Sulur, Coimabtoe, Jointly with Department of Foods and Nutrition.
- Mr. J. Sathish Kumar, Lecturer, Social Work department (PG) participated in a workshop on Role of Students in Water Conservation & Management, jointly organized by TN-IAMWARM Project and Dept. of Social Work, Bharathiar Universtiy, held on 23rd Sep 2009 at Bharathiar University, Coimbatore.
- Mr. J. Sathish Kumar, Lecturer, Social Work department (PG) participated in the Induction Programme held from 25.11.2009 to 02.12.2009 for College Teachers by the UGC – Academic Staff College, Bharathiar University, Coimbatore, and attained A Grade.

Participation in FDPs

- 8

- Ms. P. Meenakshi, HOD I /C, Social Work department participated in FDP on “Motivation Towards Research” on March 23rd 2010 organized by RVS Institute of Management studies and Research , Sulur, Coimabtoe.
- Ms. P. Meenakshi, HOD I /C, Social Work department participated in FDP on “OS Installation ” conducted by PG Department of Computer Science, RVS College of Arts and Science, Sulur, Coimabtoe on 25-02-2010.
- Mr. Blesso J Yesudian, Lecturer, Social Work department (PG) attended One day FDP on “ Introduction to Research and Research Skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mr. Blesso J Yesudian, Lecturer, Social Work department (PG) participated in FDP on “OS Installation ” conducted by PG Department of Computer Science, RVS College of Arts and Science, Sulur, Coimabtoe on 25-02-2010.
- Mr. Blesso J Yesudian, Lecturer, Social Work department (PG) participated in FDP on “Motivation Towards Research” on March 23rd 2010 organized by RVS Institute of Management studies and Research , Sulur, Coimabtoe.
- Mr. J. Sathish Kumar, Lecturer, Social Work department (PG) participated in FDP on “Motivation Towards Research” on March 23rd 2010 organized by RVS Institute of Management studies and Research , Sulur, Coimabtoe.
- Mr. J. Sathish Kumar, Lecturer, Social Work department (PG) attended One day FDP on “ Introduction to Research and Research Skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mr. J. Sathish Kumar, Lecturer, Social Work department (PG) participated in FDP on “OS Installation ” conducted by PG Department of Computer Science, RVS College of Arts and Science, Sulur, Coimabtoe on 25-02-2010.

10. Microbiology Department:

Presentations:

- 30

- R.Dhanabalan, HOD, Microbiology, presented a paper entitled “Bacteriocin production by *Staphylococcus aureus* involved in Bovine mastitis in South India” in the International Conference on Medicinal Plants and Herbal Drugs organized by Department of Botany, Pachayappa’s College, Chennai, pp: 126 on 4th – 6th March 2010.

- R.Dhanabalan, HOD, Microbiology, presented a paper entitled “*In vivo* antimalarial activity of Methanolic Leaf extracts of *Spathodea campanulata* against Plasmodium berghei infected Mice model” in the II Louis Pasteur Memorial National Symposium on Antimicrobial resistance & Drug Discovery organized by Dr. N.G.P College of Arts and Science, Kalapatti, Coimbatore on 9th & 10th Sep, 2009.
- R.Dhanabalan, HOD, Microbiology, presented a paper entitled “Preliminary Phytochemical Screening & Antimalarial studies of *Spathodea campanulata* leaf extracts” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb, 2010.
- R.Dhanabalan, HOD, Microbiology, presented a paper entitled “Antimicrobial Susceptibility of Udder Pathogens isolated from dairy herds in the Coimbatore region of Tamilnadu” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb, 2010.
- M. Jadadeeswari, Lecturer, Microbiology, presented a paper entitled “In vitro production and Bactericidal activity of Staphylococci from Bovine mastitis isolated *S.aureus*” in the State Level TNSCST, Student Project Scheme- Seminar cum Exhibition organized by KLN College of Engineering, Madurai on 7th & 8th Aug 2009.
- M. Jadadeeswari, Lecturer, Microbiology, presented a paper entitled “*In vivo* antimalarial activity of Methanolic Leaf extracts of *Spathodea campanulata* against Plasmodium berghei infected Mice model” in the II Louis Pasteur Memorial National Symposium on Antimicrobial resistance & Drug Discovery organized by Dr. N.G.P College of Arts and Science, Kalapatti, Coimbatore on 9th & 10th Sep, 2009.
- M. Jadadeeswari, Lecturer, Microbiology, presented a paper entitled “Preliminary Phytochemical Screening & Antimalarial studies of *Spathodea campanulata* leaf extracts” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb, 2010.
- M. Jadadeeswari, Lecturer, Microbiology, presented a paper entitled “Antimicrobial Susceptibility of Udder Pathogens isolated from dairy herds in the Coimbatore region of Tamilnadu” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb, 2010.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Prevalence of Leaf Extracts of *Solanum trilobatum* Linn for In vitro Antidiabetic activity in Mice” in the International Conference on Climate change in Bioresource organized by Dept. of Biotechnology, Bharathidasan University, Coimbatore on 9th – 12th Feb. 2010.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Antimicrobial and Phytochemical Screening of *Mirabilis jalapa*, *Rheo discolor* and *Nyctanthes arbor-tristis* against Nosocomial Pathogens” in the International Conference on Medicinal Plants and Herbal Drugs organized by Department Botany, Pachayappa’s College, Chennai, pp: 126 on 4th – 6th March 2010.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Antibacterial activity of *Phomopsis* sp., isolated from *Camellia sinensis*” in the II Louis Pasteur Memorial National Symposium on Antimicrobial resistance & Drug Discovery organized by Dr. N.G.P College of Arts and Science, Kallapatti, Coimbatore on 9th & 10th Sep, 2009.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Isolation of *S.aureus* from Clinical Specimens producing BLIS & Identification of its activity against selected group of Bacteria” in the National Conference on Advanced Trends in Biotechnology “

Biotechnology - organized by Dr. N.G.P College of Arts and Science, Kallapatti, Coimbatore on 18th & 19th Dec, 2009.

- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Biocontrol agent of Collar canker disease in tea plants” in the National level A Conservation of Biosciences organized by NGM College, Pollachi on 18th & 19th Feb, 2010.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Flightless Mosquitoes- Dengue fever” in the National Conference on Green Technology, Green Tech. 09 organized by Dept of Foods and Nutrition and PG Department of Social Work, RVS college of arts and science, Sular, CBE on 3rd March 2010.
- V. Parivuguna, Lecturer, Microbiology, presented a paper entitled “Studies on Antimicrobial Efficiency of Citrulus colocynthis- A Folklore Medicinal Plants ” in the 9th National Conference on Plant and Microbial Metabolites organized by School of Life Sciences, Karpagam University, Cbe on 11th & 12th Feb 2010.
- S. Balachandar, Lecturer, Microbiology, presented a paper entitled “*In vivo* antimalarial activity of Methanolic Leaf extracts of *Spathodea campanulata* against Plasmodium berghei infected Mice model” in the II Louis Pasteur Memorial National Symposium on Antimicrobial resistance & Drug Discovery organized by Dr. N.G.P College of Arts and Science, Kallapatti, Coimbatore on 9th & 10th Sep, 2009.
- S. Balachandar, Lecturer, Microbiology, presented a paper entitled “Isolation of S.aureus from Clinical Specimens producing BLIS & Identification of its activity against selected gp. of Bacteria” in the National Conference on Advance Trends in Biotechnology- A Conservation of Biosciences” organized by Dr. N.G.P College of Arts and Science, Kalapatti, Coimbatore on 18th & 19th Dec. 2009.
- S. Balachandar, Lecturer, Microbiology, presented a paper entitled “Preliminary Phytochemical Screening & Antimalarial studies of *Spathodea campanulata* leaf extracts” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb, 2010.
- S. Balachandar, Lecturer, Microbiology, presented a paper entitled “Antimicrobial Susceptibility of Udder Pathogens isolated from dairy herds in the Coimbatore region of Tamilnadu” in the MICROMEET’ 10 National Conference on Innovative approaches in Biosciences organized by S.N.G.C College, Coimbatore on 26th Feb 2010.
- E. Kezia, Lecturer, Microbiology, presented a paper entitled “Antimicrobial Activity of Marine Algae from South East Coast of tamilnadu” in the National Seminar on Emerging Trends in Plant Biotechnology organized by Govt. Arts College, Coimbatore on 4th & 5th Feb 2010.
- E. Kezia, Lecturer, Microbiology, presented a paper entitled “A Study on Dye Degradation in Textile Effluent using Indigenous Microorganisms” in the National Conference on Green Technology, Green Tech. 09 organized by NGM College, Pollachi on 18th & 19th Feb 2010.
- R. Vaidheki, Lecturer, Microbiology, presented a paper entitled “Chemoprotective Effect of Isothiocyanates from Cruciferous Plants” in the 9th National Conference on plant and microbial metabolites organized by Karpagam University, Coimbatore on 11th & 12th Feb 2010.
- R. Vaidheki, Lecturer, Microbiology, presented a paper entitled “Preservation techniques for Biosensor Microorganisms” in the National Conference on Green Technology, Green Tech. 09 organized by NGM College, Pollachi on 18th & 19th Feb. 2010.

- C.M. Reena Josephine, Lecturer, Microbiology, presented a paper entitled “Distribution of *Bacillus thuringiensis* in Gunung Jerai forest (Malaysia) with insecticidal activity against Lepidopteran and Dipteran insects” in the IC FEB, 2009. International Conference on Food Engineering and Biotechnology organized by Cairo, Egypt on 25th-27th Sep. 2009.
- C.M. Reena Josephine, Lecturer, Microbiology, presented a paper entitled “A study of Drug Resistance among Salmonella strains - Enteric Fever” in the II Louis Pasteur Memorial National Symposium on Antimicrobial resistance & Drug Discovery organized by Dr. N.G.P College of Arts and Science, Kalapatti, Coimbatore on 9th & 10th Sep, 2009.
- C.M. Reena Josephine, Lecturer, Microbiology, presented a paper entitled “ Isolation and Molecular Characterization of Native *Bacillus thuringiensis* from Gunung Jerai forest (Malaysia) in the Symbios 10, National Symposium on Modern Biological Sciences, organized by SNMV CAS, Coimbatore on 5th & 6th Feb 2010.
- C.M. Reena Josephine, Lecturer, Microbiology, presented a paper entitled “Preservation techniques for Biosensor Microorganisms” in the National Conference on Green Technology, Green Tech. 09 organized by NGM College, Pollachi on 18th & 19th Feb. 2010.
- C.M. Reena Josephine, Lecturer, Microbiology, presented a paper entitled “Elevated Mosquitocidal activity of *Bacillus thuringiensis* isolated from Forest Ecosystem in Malaysia” in the National Conference on Green Technology, Green Tech. 09 organized by NGM College, Pollachi on 18th & 19th Feb. 2010.
- K. Kalamani, Lecturer, Microbiology, presented a paper entitled “Antimicrobial Activity of Marine Algae from South East Coast of tamilnadu” in the National Seminar on Emerging Trends in Plant Biotechnology organized by Govt. Arts College, Coimbatore on 4th & 5th Feb 2010.
- K. Kalamani, Lecturer, Microbiology, presented a paper entitled “A Study on Dye Degradation in Textile Effluent using Indigenous Microorganisms” in the National Conference on Green Technology, Green Tech. 09 organized by NGM College, Pollachi on 18th & 19th Feb. 2010.

Participation:

-05

- V. Parivuguna, Lecturer, Microbiology, participated in the “Workshop on Water management-Beyond the fence line” organized by Confederation of Indian Industry &, Siruthuli, Coimbatore on 24, Nov 2009.
- V. Parivuguna, Lecturer, Microbiology, participated in the “National seminar on the Role of Siddha & Ayurveda medicines in geriatric care” organized by School of Biosciences, Dr.GRD College of sciences, Coimbatore on 19-20, OCT, 2009.
- V. Parivuguna, Lecturer, Microbiology, participated in the “National level seminar on vistas in plant and microbial biotechnology” organized by Sengunthar Arts and Science College, Tiruchengode on 19, Feb, 2010.
- V. Parivuguna, Lecturer, Microbiology, participated in the “One day national conference on biotechnology-implications and realities” organized by Sri Krishna Arts and Science College, Coimbatore on 30,JAN.2010.
- V. Parivuguna, Lecturer, Microbiology, participated in the “National Conference on Innovative approaches in Biosciences” organized by Sree Narayana Guru College, Coimbatore on 26, FEB, 2010.

Participation in FDPs:**-24**

- R. Dhanabalan, HOD, Microbiology, attended the FDP on “Bio instrumentation in our laboratory” conducted by Medox Biotechn Indian, Pvt, Ltd on 24th & 25th November 2009.

11. Biotechnology Department:

Presentations

- 23

- Mr. M.P. Ayyappa Das, HOD, Biotechnology, presented a paper entitled "Pharmaceutical Biotechnology" in the National Seminar on "BIO GMO CHALLENGES" organized by the Department of Biotechnology, School of Life Science, Karpagam University, Coimbatore on 1st October 2009.

- Mr. M.P. Ayyappa Das, HOD, Biotechnology, presented a paper entitled “ Tissue Engineering of Blood vessels with Endothelial cells differentiated from mouse embryonic stem cell” in the International Conference on Current Trends in Advanced Biomedical Technology (CTAB – 2009) organized by Department of Microbiology & Biotechnology, Nehru Arts And Science College, Coimbatore on 14th and 15th October 2009.
- Mr. M.P. Ayyappa Das, HOD, Biotechnology, presented a paper entitled “Telomere Unravalled” in the two day National Conference on “ Advanced Trends in Biotechnology” organized by Department of Biotechnology, Dr. N.G.P. Arts and Science College, Coimbatore on 18th and 19th December 2009.
- Mr. M.P. Ayyappa Das, HOD, Biotechnology, presented a paper entitled “ Thrombophilia ” in the National Seminar on “Recent Perspectives in Nanotechnology” organized by Department of Biotechnology and Microbiology, Hindusthan College of Arts and Science, Coimbatore on 22nd January 2010.
- Mr. M.P. Ayyappa Das, HOD, Biotechnology, presented a paper entitled “Greenspiration Rather Than Inspiration” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, presented a paper entitled “ Antimicrobial activity of the medicinal plant, Vitex Negundo” in the National Seminar on “BIO GMO CHALLENGES” organized by the Department of Biotechnology, School of Life Science, Karpagam University, Coimbatore on 1st October 2009.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, presented a paper entitled “ Molecular medicine for Cancer” in the International Conference on Current Trends in Advanced Biomedical Technology (CTAB – 2009) organized by Department of Microbiology & Biotechnology, Nehru Arts And Science College, Coimbatore on 14th and 15th October 2009.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, presented a paper entitled “Biomedicine for Swine Flu” in the two day National Conference on “ Advanced Trends in Biotechnology” organized by Department of Biotechnology, Dr. N.G.P. Arts and Science College, Coimbatore on 18th and 19th December 2009.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, presented a paper entitled “Chemotactic Drug – Targeting” in the National Seminar on “Recent Perspectives in Nanotechnology” organized by Department of Biotechnology and Microbiology, Hindusthan College of Arts and Science, Coimbatore on 22nd January 2010.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, presented a paper entitled“ Global Warming” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “Pharmaceutical Biotechnology” in the National Seminar on “BIO GMO CHALLENGES” organized by the Department of Biotechnology, School of Life Science, Karpagam University, Coimbatore on 1st October 2009.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “ Molecular medicine in Colon Cancer ” in the International Conference on Current Trends in Advanced Biomedical Technology (CTAB – 2009) organized by Department of

Microbiology & Biotechnology, Nehru Arts And Science College, Coimbatore on 14th and 15th October 2009.

- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “ Molecular characterization of Fusarium Oxysporum FSP cube NSE Isolates of Kerala” in the two day National Conference on “ Advanced Trends in Biotechnology” organized by Department of Biotechnology, Dr. N.G.P. Arts and Science College, Coimbatore on 18th and 19th December 2009.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “ Nanotechnology trap captures cancer cells in Blood” in the National Seminar on “Recent Perspectives in Nanotechnology” organized by Department of Biotechnology and Microbiology, Hindusthan College of Arts and Science, Coimbatore on 22nd January 2010.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “Antimicrobial Chemotherapy” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “ Medicinal Plants and traditions – An Overview ” at a National Symposium on Alternative Medicine organized by Department of Industrial Biotechnology, Karpagam University, Coimbatore on 01-03-2010.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, presented a paper entitled “Monoclonal Antibody Therapy” in National level seminar organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “ Antimicrobial activity of the medicinal plant, Vitex Negundo” in the National Seminar on “BIO GMO CHALLENGES” organized by the Department of Biotechnology, School of Life Science, Karpagam University, Coimbatore on 1st October 2009.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “Gene Therapy” in the International Conference on Current Trends in Advanced Biomedical Technology (CTAB – 2009) organized by Department of Microbiology & Biotechnology, Nehru Arts And Science College, Coimbatore on 14th and 15th October 2009.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “ Golden Rice” in the two day National Conference on “ Advanced Trends in Biotechnology” organized by Department of Biotechnology, Dr. N.G.P. Arts and Science College, Coimbatore on 18th and 19th December 2009.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “Nano Shell” in the National Seminar on “Recent Perspectives in Nanotechnology” organized by Department of Biotechnology and Microbiology, Hindusthan College of Arts and Science, Coimbatore on 22nd January 2010.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “Bio Diesel” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Ms. S. Savitha, Lecturer, in Biotechnology, presented a paper entitled “Nano Revolution in Cancer Therapy” in National level seminar organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.

Participation in FDPs

- 9

- Mr. M.P. Ayyappa Das, HOD, Department of Biotechnology, attended the FDP on “Streets – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Mrs. R. Renugadevi, Lecturer, in Biotechnology, attended the FDP on “Streets – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, attended the FDP on “Streets – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe
- Mrs. P.H. Preethy, Lecturer, in Biotechnology, attended the FDP on “Microbial Techniques in Quality Control of Foods” on 16.02.2010 by Department of Microbiology, RVS College of Arts and Science, Sulur, Coimabtoe.
- Mrs. S. Savitha, Lecturer, in Biotechnology, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Mrs. S. Savitha, Lecturer, in Biotechnology, attended the FDP on “Streets – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe

12. Department of Biochemistry:

Presentations

- 20

- Mrs. T.H. Nazeema, HOD, Biochemistry, presented paper entitled “Enzymatic Analysis in Vermicompost” in the UGC Sponsored National Conference on “Green Technology – Green Tech 09” organized by Department of Biochemistry, NGM College, Pollachi on 18th & 19th February 2010.
- Mrs. T.H. Nazeema, HOD, Biochemistry, presented paper entitled “ Potential of Mimosa pudica in antihepatotoxic and Antioxidant Activity “ in 3rd Indo- Korean Joint Seminar on “ Medicinal plant Research” at Avinashilingam University for Women, Coimbatore on 23rd February 2010.

- Mrs.T.H. Nazeema, HOD, Biochemistry, presented paper entitled “ Vermicomposting” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Mrs. S. Shamina, Lecturer, Biochemistry, presented paper entitled “ Aloe barbadensis ” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Mrs. S. Shamina, Lecturer, Biochemistry, presented paper entitled “ Dengue Fever” in National Conference on “Innovative Approaches in Biosciences” organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.
- Mrs. S. Shamina, Lecturer, Biochemistry, presented paper entitled “Adaptive contrast Enhancement based Micro Calcification Detection ” in the National Conference on “ Soft Computing and Advanced Communication System” organized by Department of Electronics and Department of Computer Science, M.P. Nachimuthu M. Jaganathan Engineering College, Chennimalai, Erode on 10th April 2010.
- Mrs. A. Dhinek, Lecturer, Biochemistry, presented a paper entitled “ Antimicrobial Activity of white...” in the 9th National Conference on “Plant and Microbial Metabolities” organized by Department of Microbiology, Karpagam University, Coimbatore on 11th & 12th February, 2010.
- Mrs. A. Dhinek, Lecturer, Biochemistry, presented paper entitled “ Aloe Barerdensis ” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Mr. G. Sivaelango, Lecturer, Biochemistry, presented paper entitled “ Dengu – An Infectious Disease” in the One day State level Symposium on “ Immunology of infectious diseases” organized by Department of Biochmeistry & Bio Informatics, Karpagam University, Coimbatore on 19th February 2010.
- Mr. G. Sivaelango, Lecturer, Biochemistry, presented paper entitled “ Chikungunya – An Infectious Disease” in the One day State level Symposium on “ Immunology of infectious diseases” organized by Department of Biochmeistry & Bio Informatics, Karpagam University, Coimbatore on 19th February 2010.
- Mr. G. Sivaelango, Lecturer, Biochemistry, presented paper entitled “Environment and waste management” in National Conference on “Innovative Approaches in Biosciences” organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.
- Mr. G. Sivaelango, Lecturer, Biochemistry, presented paper entitled “ Chikungunya is an arboviral disease” in National Conference on “Innovative Approaches in Biosciences” organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.

- Mr. G. Sivaelango, Lecturer, Biochemistry, presented paper entitled “ Aloe Barbadensis Halwa” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Mr. G. Sivaelango, Lecturer, Biochemistry, presented a paper poster “ On Community Development” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Mrs. R. Renuka, Lecturer, Biochemistry, presented a paper entitled “ Enzymatic Analysis in Vermicompost” in the UGC Sponsored National Conference on “Green Technology – Green Tech 09” organized by Department of Biochemistry, NGM College, Pollachi on 18th & 19th February 2010.
- Ms. R. Mahalakshmi, Lecturer, Biochemistry, presented paper entitled “ Potential of mimosa pudica in antihepatatoxic and Antioxidant Activity “ in 3rd Indo- Korean Joint Seminar on “ Medicinal plant Research” at Avinashilingam University for Women, Coimbatore on 23rd February 2010.
- Mrs. R. Mahalakshmi, Lecturer, Biochemistry, presented paper entitled “ Vermicomposting” in the National Conference on “ Role of Educational Institutions in Out – Reach programmes & Sustainable Community Development” organized by Departments of Foods & Nutrition and PG Department of Social Work, RVS College of Arts and Scienc, Sulur,CBE on 3rd March 2010.
- Ms. D. Arthi, Lecturer, Biochemistry, presented a paper entitled “ Antimicrobial Activity of white...” in the 9th National Conference on “Plant and Microbial Metabolites” organized by Department of Microbiology, Karpagam University, Coimbatore on 11th & 12th February, 2010. (Best Paper Award)
- Ms. S. Vanathi, Lecturer, Biochemistry, presented paper entitled “ Dengue Fever” in National Conference on “Innovative Approaches in Biosciences” organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.
- Ms. S. Vanathi, Lecturer, Biochemistry, presented paper entitled “ Chikungunya is an arboviral disease” in National Conference on “Innovative Approaches in Biosciences” organized by Department of Microbiology, Sree Narayana Guru College, Coimbatore on 26-02-2010.

Participation in FDPs

- 47

- Mrs. Mrs. T.H. Nazeema, HOD, Biochemistry, attended One day FDP on “Introduction to Research and research skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mrs. T.H. Nazeema, HOD, Biochemistry, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Mrs. T.H. Nazeema, HOD, Biochemistry, attended the FDP on “ Table Etiquettes” conducted by Department of Catering science &Hotel Management, RVS college of Arts and science, Sulur, CBE on 17-02-2010

- Mrs. T.H. Nazeema, HOD, Biochemistry, participated in FDP on “Bioinformatics” conducted by Sai’s Biosciences, Research Institute Pvt, Ltd, Coimbatore on 20.01.2010 to 22.01.2010.
- Mrs. T.H. Nazeema, HOD, Biochemistry, attended the FDP on “Strees – Free Teaching” held on 7th January 2010 by School of commerce and IQAC, RVS College of Arts and Science, Sulur, Coimabtoe
- Mrs. T.H. Nazeema, HOD, Biochemistry, participated in FDP on “OS Installation” conducted by PG Department of Computer Science, RVS College of Arts and Science, Sulur, Coimabtoe on 25-02-2010.
- Mrs. S. Shamina, Lecturer, Biochemistry, attended One day FDP on “Introduction to Research and research skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mrs. S. Shamina, Lecturer, Biochemistry, participated in One day FDP on “Basic tips for Counselling” held on 10th October 2009, organized by PG Department of Social Work, RVS college of Arts and Science, Sulur, Coimbatore.
- Mrs.S. Shamina, Lecturer, Biochemistry, participated in FDP and hands on training in “Bioinformatics” organized by Department of biochemistry, RVS College of Arts and Sciences, on 11.09.2009 and 12.09.2009.
- Mrs.S. Shamina, Lecturer, Biochemistry, attended the FDP on “ Table Etiquettes” conducted by Department of Catering science &Hotel Management, RVS college of Arts and science, Sulur, CBE on 17-02-2010
- Mrs. S.Shamina, Lecturer, Biochemistry, attended the FDP on “Chemosensor – Sweet Making” conducted by Department of Catering science &Hotel Management, RVS college of Arts and science, Sulur, CBE on 23-02-2010
- Mrs. S.Shamina, Lecturer, Biochemistry, participated in FDP on “Bioinformatics” conducted by Sai’s Biosciences, Research Institute Pvt, Ltd, Coimbatore from 20.01.2010 to 22.01.2010.

13. Foods and Nutrition Department:

Presentation

- 16

- Dr. Meera Raman, HOD, Foods and Nutrition, presented a paper entitled “Physiology of Germinated Cereal Grain Seeds in liquefaction of starch” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Dr. Meera Raman, HOD, Foods and Nutrition, presented a paper entitled “Impact of Phyto chemicals in Ginger Power on arthritis Patients” in the 3rd Indo – Korean Joint Seminar on “Medical Plant Research” at Avinashilingam University for Women, Coimbatore on 23rd February 2010.
- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, presented a paper entitled “A Study on Consumer Awareness on food & Safety with Special Ref to Coimbatore” in the International Conference on “ Globalization and Consumer Protection” organized by Department of Business Administration, Kalasalingam University, Srivilliputhur, on 28th & 29th January 2010.
- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, presented a paper entitled “Assessment of the Impact of Food presentation Testing of Women in SHG” at the National level seminar on “Empowerment of women through self help groups” held on 10th February 2010 in RVS College of Arts and Science, by School of Commerce.
- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, presented a paper entitled “ Air Pollution, it’s Effects and Food Remedies for Improving Health” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs.T. Thangarathi, Lecturer, Foods and Nutrition, presented a paper entitled “Self Help Group” at the National level seminar on “Empowerment of women through self help groups” held on 10th February 2010 in RVS College of Arts and Science, by School of Commerce.
- Mrs.T. Thangarathi, Lecturer, Foods and Nutrition, presented a paper entitled “Role of Ginger in Cancer Prevention” in the National Cancer Congress: on Genetics, Diagnosis & Therapy organized by Department of Biochemistry & Clinical Laboratory Technology, Dr.N.G.P. Arts and Science College, Coimbatore, on 20th & 21st August 2009, sponsored by Indian Council of Medical Research, New Delhi,.
- Mrs.T. Thangarathi, Lecturer, Foods and Nutrition, presented a paper entitled “ Air Pollution, ITS Effects and Food Remedies for Improving Health” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. T. Thangarathi, Lecturer, Foods and Nutrition, presented a paper Jointly with Kalpana C.A and Naraynana in the Inter National workshop on Microunutrients and Child Health held from October 20-23, 2009, organized by Human Nutrition Unit of AIMS, New Delhi, and Indian Academy of Pediatrics.

- Mrs. K. Mahalakshmi Sangeetha, Lecturer, Foods and Nutrition, presented a paper entitled “Cancer Fighting Foods” in the National Cancer Congress: on Genetics, Diagnosis & Therapy organized by Department of Biochemistry & Clinical Laboratory Technology, Dr.N.G.P. Arts and Science College, Coimbatore, on 20th & 21st August 2009, sponsored by Indian Council of Medical Research, New Delhi,.
- Mrs. K. Mahalakshmi Sangeetha, Lecturer, Foods and Nutrition, presented a paper entitled “ Environmental Contamination and Exposure to Heavy Metals” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. K. Mahalakshmi Sangeetha, Lecturer, Foods and Nutrition, presented a paper entitled “Women Empowerments & SHG” at the National level seminar on “Empowerment of women through self help groups” held on 10th February 2010 in RVS College of Arts and Science, by School of Commerce.
- Mrs. K. Mahalakshmi Sangeetha, Lecturer, Foods and Nutrition, presented a paper entitled “ Value addition of selected Ready to eat foods with B- Carotene” in the 3rd Indo – Korean Joint Seminar on “ Medical Plant Research” at Avinashilingam University for Women, Coimbatore on 23rd February 2010.
- Mrs. K. Prabha, Lecturer, Foods and Nutrition, presented a paper entitled “Women Empowerments & SHG” at the National level seminar on “Empowerment of women through self help groups” held on 10th February 2010 in RVS College of Arts and Science, by School of Commerce.
- Mrs. K. Prabha, Lecturer, Foods and Nutrition, presented a paper entitled “ Environmental Contamination and Exposure to Heavy Metals” in the UGC Sponsored National Level Seminar on “Emerging Trends in Plant Biotechnology” organized by PG & Research Department of Plant Biology & Plant Biotechnology, Government Arts College, Coimbatore on 4th & 5th February 2010.
- Mrs. K. Prabha, Lecturer, Foods and Nutrition, presented a paper entitled “Cancer Fighting Foods” in the National Cancer Congress: on Genetics, Diagnosis & Therapy organized by Department of Biochemistry & Clinical Laboratory Technology, Dr.N.G.P. Arts and Science College, Coimbatore, on 20th & 21st August 2009, sponsored by Indian Council of Medical Research, New Delhi,.

Participation:

-06

- Dr. Meera Raman, HOD, Foods and Nutrition, Participated in the Regional Seminar on “ Gearing Home Science Curriculum Towards Better Career Prospects” organized by Home science Association of India, South Region and Avinashilingam University for Women, Coimbatore on 21st and 22nd August 2009.
- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, Participated in the Regional Seminar on “ Gearing Home Science Curriculum Towards Better Career Prospects” organized by Home science Association of India, South Region and Avinashilingam University for Women, Coimbatore on 21st and 22nd August 2009.
- Mrs. T. Thangarathi, Lecturer, Foods and Nutrition, organized / demonstrated/ participated in Food Preservation Training organized by the department of Foods & Nutrition and department of Women’s Studies, Bharathiar University, Coimbatore on 16-12-2009.

- Mrs. T. Thangarathi, Lecturer, Foods and Nutrition, organized / demonstrated/ participated in Workshop on Baking Cookies held by the Department Foods & Nutrition on 23-12-2009.
- Mrs. T. Thangarathi, Lecturer, Foods and Nutrition, attended one day Industrial Training on “Bakery & Confectionary” held on 23rd November 2009 by Caramel New English Bakes & Sweets, Coimbatore.
- Mrs. K. Mahalakshmi Sangeetha, Lecturer, Foods and Nutrition, attended one day Industrial Training on “Bakery & Confectionary” held on 23rd November 2009 by Caramel New English Bakes & Sweets, Coimbatore.

Participation in FDPs

-05

- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, attended one day FDP on “Introduction to Research and research skills” Conducted by RVS College of Engineering and Technology, Coimbatore on 6th July 2009.
- Mrs. Angeline Esther Preethi, Lecturer, Foods and Nutrition, attended the FDP on “Chemosensor – Sweet Making” conducted by Department of Catering science & Hotel Management, RVS college of Arts and science, Sulur, CBE on 23-02-2010

ADMISSION PROCESS:

1. Purpose and Scope:

The College has established a set of procedures to admit the students for various courses offered by it as per the rules and regulations and eligibility criteria prescribed by the Bharathiar University. The admission process enables the college to admit the students for various undergraduate and post graduate courses in Arts and Science disciplines.

2. Definitions:

Admission-counseling cell: A committee constituted by the college management to carry out the process of admission.

Norms: Rules set by Bharathiar University and Government of Tamilnadu for admission of students to various courses

3. Procedure:

I) Preliminary process: The admission process starts in March/April. Advertisements are released in local, regional and national dailies. Copies of advertisements are kept in secretary's office.

Admission Process: An Admission counseling cell has been formed. Students who come for admission are directed to the cell. Some faculty members representing Arts & Science departments will be in the cell, displaying necessary brochures. When a candidate seeking admission comes to the counseling cell, his aptitude and subjects taken at the +2 level/UG level are checked for the eligibility criteria for admission by the counselors. The counselor then briefs the student about the course details, syllabus, scope and fee structure. The student is given the brochure, which contains the course details and eligibility conditions. On the student's request, the application form is made available to him/her on payment of a nominal fee.

The student then fills up the application form. The Counselor scrutinizes it and has an interaction with the student and parent. After the approval by the Principal the student is admitted. MCA and MBA admissions are made as per the AICTE norms (Admitted student is given an Admission Slip – The student pays the fees and gets enrolled in the college. The student is provided with roll / ID numbers).

II) Original certificates are collected from the admitted students with due acknowledgement. All the original certificates are returned to the students after the completion of the course on the requisition of the concerned students. Students are informed through post regarding the commencement of the classes. The rules and regulations to be followed after the admissions are given in the college calendar. There is a last date set by the Bharathiar University for admission to various courses. The student's admission list is sent to Bharathiar University for approval within the stipulated time fixed by Bharathiar University. A finally approved list of admitted students is given to respective HOD's. The consolidated Admission Register is maintained in the college office.

M.Phil and Ph.D. admissions are made as per the norms of university

III) **Website:** The group website www.rvscas.ac.in helps students to browse details of different courses.

IV) **Hostel:** Students who need hostel facilities are provided with the application form and then admitted based on the availability of seats.

V) **Extra Curricular Activities:** After joining the College a student can select any one or more of the various prescribed activities.

VI) An admission cell is constituted well in advance before the onset of the impending academic year. The admission committee is formulated by the Principal. Admission Committee selects the students based on the norms of admission, framed by the Government of TamilNadu.

38. Development programme for non teaching staff:

- The Management provides financial assistance for their higher studies.
- Fee concessions are given for many academic programs (Part time MBA)
- Children of Non teaching staff are provided fee concession if they study in RVS Education Institutions.

39. Healthy practices:

The College features a host of healthy practices as catalogued below:

- There is a **God Father Counselling System** serving as a unique tool for taking care of students, listening to their problems they come across in studies at home or in hostel thereby encouraging them to sail across those problems. This system renders guidance to students when needed. The academic performance of the students, their regularity to classes, their achievements in college, through extracurricular activities etc., are constantly monitored by staff members to whom the definite numbers of students are entrusted.
- **Choice Based Credit System** was introduced in 2005 and subsequently reviewed in 2008.
- **Quiz Club** has been organized which serves for equipping the students with skills of competence.
- **Lesson Plan and Work Done Report:** Submission of lesson plan for approval and the daily work done report are submitted to the Principal through online process.
- **e - Magazine** facility is available and students contribute regularly to the magazine.
- **e – Attendance has been introduced** since 2008, in line with advancing technology.
- **Faculty Development Programme (FDP)** are organized to enrich and fine tune the aptitudes and accessory skills of faculty members oriented to ameliorate their career.
- **Placement Training** is imparted to students along with English Communication and Soft Skills.
- **Food for Thought:** Thoughts lead to action, actions lead to habit and habits build up the character. Hence sayings, proverbs and useful informations are displayed daily at a vantage point. This work is entrusted to language Departments and Foods and Nutrition department.
- **Thoughts for the Day:** Sayings of great men, proverbs, quotations etc are displayed daily, as a healthy practice to influence the mind set of the students.
- **Thirukural:** Regularly one couplet from the world renowned Thirukural is written daily on the board with meanings both in English and Tamil.

- **A Word a Day:** To enable enrichment in English vocabulary, everyday an English word is displayed on a board with equivalent meanings in Tamil, Hindi and Malayalam. This practice has been well received by the students and it has contributed immensely for their vocabulary build up.
- **Hebdomadal Assembly:** Every Wednesday a mass assembly presided over by the Principal is held at 9.15 a.m. in which the entire student community and all the faculties of RVS CAS participate. The agenda includes the recitation of Tamil Thai Vazhthu, reading of a thirukural couplet with meaning, important news items of the day, honouring of students who had brought laurels by winning in competitions held by different Institutions, and Principal's address. The assembly ends with the singing of the National Anthem.
- **Daily Prayer in Class rooms:** On other working days, during the first hour class, a student will read out a prayer compiled specially for the purpose, while the other students keep standing in silence. The "Reading out of the Prayer" is done in turns, whereby every student will get an opportunity. This practice serves not only to invoke the blessings of God but also to expel the stage fear and improve the expression trait on the part of the students.
- **Roll of Honour:** On completion of Internal Assessment Tests (CIA) and semester examinations (EOS), the best three top scorers are identified in each department by the concerned class tutors and their names along with photographs are displayed on the department notice boards under the caption "Roll of Honour" with the approval of the concerned HOD.
- **Anti Ragging Awareness:** In addition to the formation a committee called Ragging Curb Committee in accordance with the guidelines of Bharathiar University, hoardings are placed prominently warning the students of the punishment to those who indulge in any form of ragging inside and outside the College campus.
- **Ragging Complaint Box:** A Ragging Complaint Box has also been installed in front of the Principal's office (with Black colour painted and letters in White) mentioning the Phone numbers of the Principal (Residence Phone No. also), Registrar, Bharathiar University and nearby Police Station. One key of the locked box has been handed over to the Registrar, Bharathiar University.
- **Suggestion Box:** A suggestion box has been placed in front of the Principal's office, to receive suggestions, complaints, grievances etc. from students, visitors and other interested sources. The box is opened up once in a month by the Principal and the contents are considered for necessary action.

- **Feedback:** Feedback from students on faculty performance, usefulness of the curriculum, infrastructure, administration and support services has been taken to identify service failures and deficiencies and to take appropriate corrective and preventive measures. Feedback is also taken from employees and alumni of the college.
- **Curriculum:** Feedback on the curriculum is obtained from the following slots namely
 - Academic expert (Non-BOS member)
 - Industrial expert
 - Final year students
 - Alumni from each department

The feedback greatly helps in the updation of the syllabus, because the feedback is thoroughly analyzed threadbare before embarking upon revision of the syllabus.

- **Staff Evaluation:** Under the Annual Performance Appraisal for staff members, there are components whereby there is mutual evaluation of faculties by the HOD and vice versa, in addition to evaluation of colleagues among themselves. An additional evaluation of the HODs by the Principal.
- **Student Evaluation of Staff:** The student's feedback on the staff performance is advocated by UGC and NAAC as a healthy trend towards improvement of teaching. The level of satisfaction about the classes conducted by the faculty is evaluated by the students. At the end of every semester the students are provided with opportunity to assess the staff members handling classes for them in a totally confidential manner through the computer. A set of questions pertaining to the performance of the staff is used to elicit the required details. A consolidated report of the Faculty Performance is done at the end of the academic year.
- **Infrastructure Facilities:** The students have the liberty to express their opinion on the availability and functioning process of infrastructure facilities such as library, class room amenities and hostel facilities. This practice reveals the defects in facilities and offers scope for rectification.
- **Parents Teachers Meet:** Once in an academic year, at the fag end of the even semester, a Parent's meet is organized by the departments. This meeting promotes the understanding between the parents and the department. The parents are able to get more information regarding their wards and the various facilities and the care bestowed upon the student through a feedback form.
- **Question Bank:** The questions are framed by faculties upon specific assignments by the HODs. Access to question bank enables the students to gather information on all the questions leading them to a thorough acquisition of the subject knowledge.

- **IQAC Cell:** IQAC by virtue of its existence and manifold functions regulates all the multifaceted activities of the institution and moulds the college into a quality centered seat of learning. To be precise, it qualitatively regulates the overall development of the institution.
- **ISO Cell:** The College has its Vision, Mission and Quality Objectives. Based on this a set of Quality Procedures and Quality Manual are prepared and distributed to all the departments. A team of Internal Quality Auditors are trained and with their help internal audits are conducted for all the academic departments.

Internal Quality Audit is carried out once in six months in all academic departments, admissions process, examinations section, central library etc. The auditors verify the records and submit NCRs (Non Conformity Report) to the ISO cell. The audit report will be placed before the Management Review Meeting for necessary corrective and preventive actions.

- **Review Meetings:** Twice a semester, review meetings are conducted to promote a healthier interaction between the Faculties and Management. This trend serves to bridge the gap and promote a harmonious understanding which in turn contributes for the development of the institution towards excellence in all respects.
- **Committees:** Various committees are formed. The responsibilities are given to the HODs. They subsequently ensure that the necessary assignment is carried-out at the right time. The details/ data collected are consolidated and a report is submitted to the ISO cell. This helps in the smooth conduct of all the activities at the right time.
- **Internal Staff Communication / Internal Circulars and Department Minutes Register:** Each HOD maintains a register in which communications relating to day to day activities are furnished as a sort of staff order to be notified by the individual or collective faculties instead of separate circulars from the HOD.
- Department meetings and HODs meetings with Principal whenever convened are recorded in the form of minutes
- Consolidation and Data Analysis: At the end of the academic year, the HOD and the staff members analyse data pertaining to important areas. This process is carried-out with a view to identifying opportunities for improvement in the subsequent academic years.

The following analyses are made and represented graphically.

- End of Semester examination result analysis is made subject-wise, class wise and faculty wise.
- End of semester analysis of teaching process.
- Faculty development and improvement programmes
- **College Rating:** “The Economic Times”- English Daily rated RVS CAS as one of the top four colleges in Coimbatore.
- **MoUs:** Autonomy has enabled the Institution to enter into MoUs with several academic bodies and organizations both at National and International levels. The details have been elaborately given under the question number 7 of part A and 40 of part B.
- **Value Addition Courses:**
 1. A paper on **Environment Studies** has been made **mandatory** to all UG students under Foundation course.
 2. **Career Oriented Programmes** offered, serve to enhance exposure on interdisciplinary subjects and also favour to fetch jobs.
